The statement of the Board of Directors of the Catholic Theological Society of America to the Statement on *Quest for the Living God: Mapping Frontiers in the Theology of God*, by Sister Elizabeth A. Johnson issued by the Committee on Doctrine, United States Conference of Catholic Bishops, March 24, 2011

<http://www.ctsa-online.org/johnson.html>

On October 18, 2007 Dr Elizabeth Johnson addressed the 17th annual FutureChurch benefit. She titled her talk, *Questing for the Living God*, similar to the full title of her latest book, *Quest for the Living God: Mapping Frontiers in the Theology of God*. In this talk Elizabeth Johnson focuses on three theological frontiers we now face in our relationship with God: the feminist, the interreligious, and the ecological.

The audio of this talk is available on the net at:
